

The Growers Market of Fuquay-Varina

**102 North Main Street
Fuquay-Varina NC 27526
growersmarketfv@gmail.com
919-880-4791**

Thank you for your interest in participating as a musician for the music series at the Growers Market of Fuquay-Varina. We welcome musicians of all genres to perform.

The music series is every Saturday during the season, shine or shine. We request that our musicians perform from 10am to 12pm with reasonable breaks. Musicians are permitted and encouraged to accept tips and sell merchandise at the music tent. Performing at the market is not paid, unless a sponsor is secured. If a sponsor is secured, we will offer a modest honorarium for performing, but can't guarantee that one will be paid.

As a performer in the music series, you will be promoted in various prints and Facebook. If for some reason you need to cancel, we request as much notice as possible. "No Shows" may not be asked back.

We ask our musicians to respect a few rules regarding performance at the market.

- The music should be loud enough to be enjoyed by all, but quiet enough for our vendors and customers to conduct business. Market staff will monitor volume level, please respect our judgement and requests to modify the volume.**
- Loud horns and loud amplified music are not allowed.**
- Swearing, aggressive, and lewd language or behavior, before - during- or after a song is prohibited.**
- Alcohol and open containers are not allowed.**

- A 10x10 space and tent will be provided for you.**
- Limited access to electricity is available. Typically, one outlet is available to musicians.**
- Amplification and instruments sensitive to moisture may be cancelled if the market becomes too wet. In cases of extreme weather, the market may be closed. You will be notified by phone if the market will be closed.**
- Performers must bring their own PA and electrical cords, instruments, chairs, and other needed equipment.**
